

## Murder Mystery Dinner Theater

It's a cure—It's a curse!

It's mutating—something worse?

What's happening to the patients?

What's happened to the doctor?

Where are the lab reports?

Will Mr. Eagerly find his pants?

“Side Effects May Include Death” has all the clues,  
if not the answers.

Don't miss this original play and the gourmet dinner you  
will enjoy as you join sixty fellow sleuths in solving the  
greatest case in FDA history.
